

BUSINESS ADVISER OF THE YEAR

FIRM PROFILE

Residency Bond Program Ltd is a leading independent service provider in the prospering field of business and investor immigration. The company works in close collaboration with wealthy individuals to identify and implement the best residency or citizenship by investment opportunity for each client.

The company markets its services exclusively over the Internet. It does not maintain sales-representative offices. Thanks to its robust online presence and frequent citation in online media, the company has built up a strong brand. The positive feedbacks and cross-references of clients has also led to a reliable brand.

As pioneers, the company has been concerned with the new Hungarian Residency Bond Program from the very first moment, since its inception. The company does not play the "expert advisor role" but simply collaborates. Understanding the clients' underlying presumptions and desires is a prerequisite for an excellent professional service. Working closely together with its clients, the company aims to find the solution that satisfies most of their needs.

LASZLO GAAL, PhD.

Managing Director at Residency Bond Program Ltd.

ABOUT LASZLO GAAL

Laszlo Gaal is the managing director and co-founder of Residency Bond Program Ltd., a multi-award winning immigration advisory firm. Laszlo has led the company since its inception in 2013. He has built it up from scratch and made it a highly esteemed immigration advisory firm. Laszlo strives to make the clients' life easier and to help them in securing their family's future.

Laszlo is also a professional advisor and coach of an international law firm; he contributed in establishing and make the firm an internationally acknowledged one. He is convinced that the "human factor" is the most important factor in business; collaboration and friendliness are the main power of a prospering company. Laszlo has gained experience in various fields of human relations. He is an expert in communication and investor immigration advisory service among others.

Laszlo holds an MA in physics and biophysics and a PhD in biology. He is also a clinical psychodrama analyst and coach.
